

Calacatta

COLLECTION

Viatera[®]

A Calacatta-inspired installation is a mark of a carefully curated, doted-on interior. Refined tastes appreciate the way this surface steals the spotlight in any room it graces. Calacatta collection beams in bright, magical white, drenching its entire orbit in positive energy. The luxury doesn't stop there. Its natural veins ante up the drama with large, elegant patterns.

CALACATTA COLLECTION

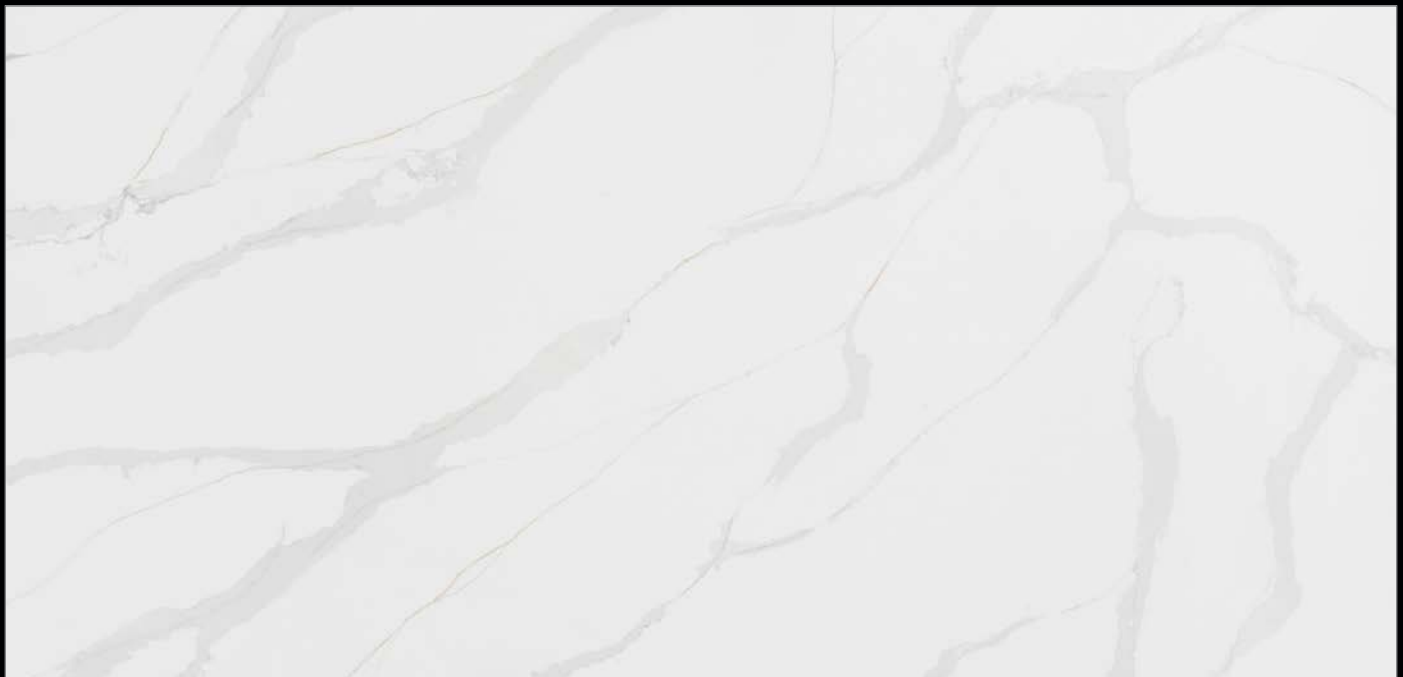

Calacatta Sol

Sol bestows opulent shades of gold in its large-pattern veins, giving any room a cheerful glow. The striking white infuses your space with abundant brightness. What a perfect backdrop for the twirls of warm hues poking through like sunbeams on a sublime morning.

CALACATTA COLLECTION

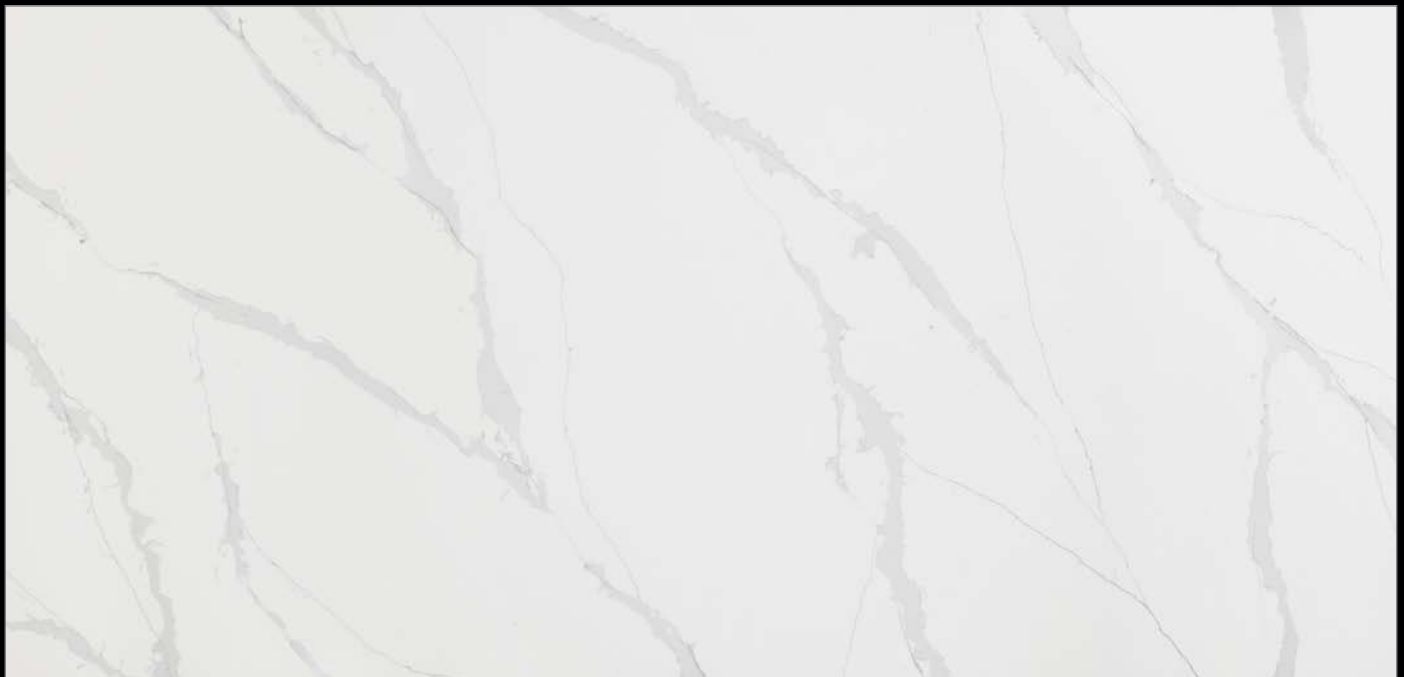

Calacatta Plata

Dimension: 63"x130"

Thickness: 2CM, 3CM

Finish: Polished

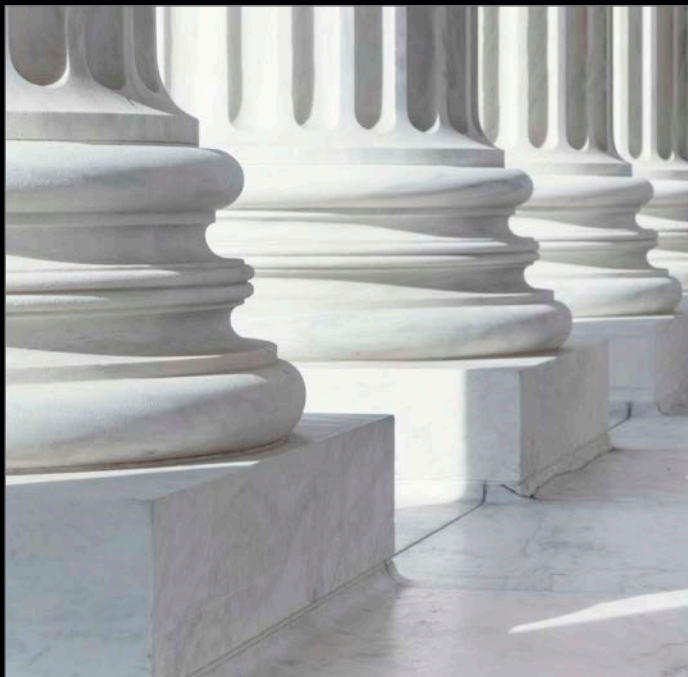

Made in USA with US and imported parts.

CALACATTA COLLECTION

Widely-spaced silver veins dash around like a homage to a poetic lightning-filled sky. The thin, minimal veining leaves an ocean of the pristine white that Calacatta is famed for. It angles for attention just so with its striking presence, but with its timeless nature, it is flawless.
