

Urban  
COLLECTION

*Viatera*<sup>®</sup>

Match the ethos of a vibrant metropolis. Urban Collection radiates sophistication in that understated way of a cosmopolitan city dwelling. Concrete-like design lends edgy appeal, evoking thoughts of strolls on busy streets. The industrial look is softened thanks to a charming marbling unlike any other. Your urban oasis will be the best of both worlds—modern and classic.

# Metro

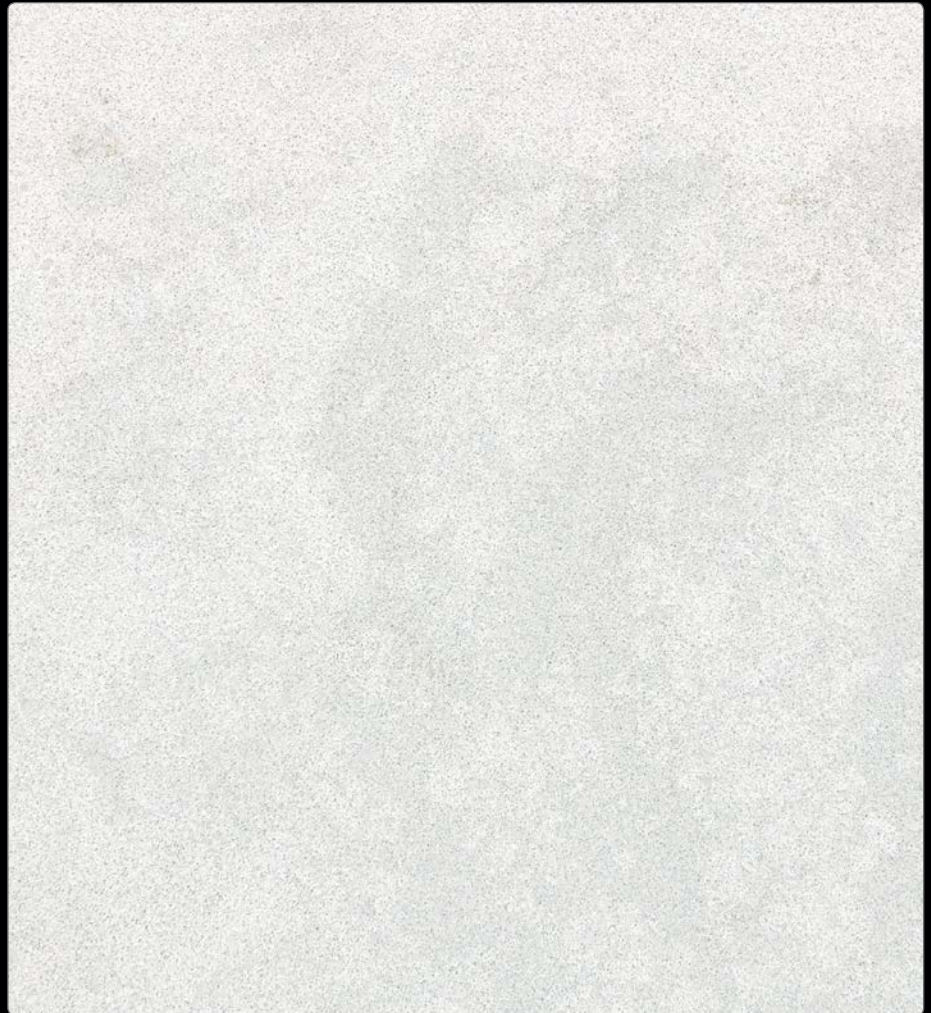

---

Dimension: 63"x130"

Thickness: 2CM, 3CM

Finish: Brushed

Made in USA with US and imported parts.

# Metro

Anchor your space with self-assured gray tones that embrace a rainbow of possibilities. Light and medium grays flirt together smoothly, allowing the intricate texture to dazzle onlookers. Look for the faintest dark grays, peeking through to indicate the intricacies in design, all on a backdrop like dawn breaking in the city.

# Gotham
