FEATURED STAINS

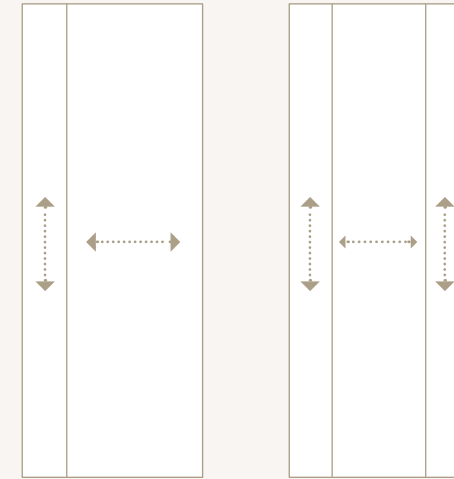

### TRU&MODERN FLUSH SKETCH FACE

Flush door designs carefully hand matched for today's modern interiors. Now available in two innovative styles in a range of sustainable hardwoods.

Our flush sketch face wood door styles combine vertical and horizontal veneers to create a unique, modern look.

- *Hand selected, precision matched 1/4" veneers.*
- *Designs complement other Tru&Modern styles.*
- *Available in many standard wood species.*

TMF1001

TMF1002

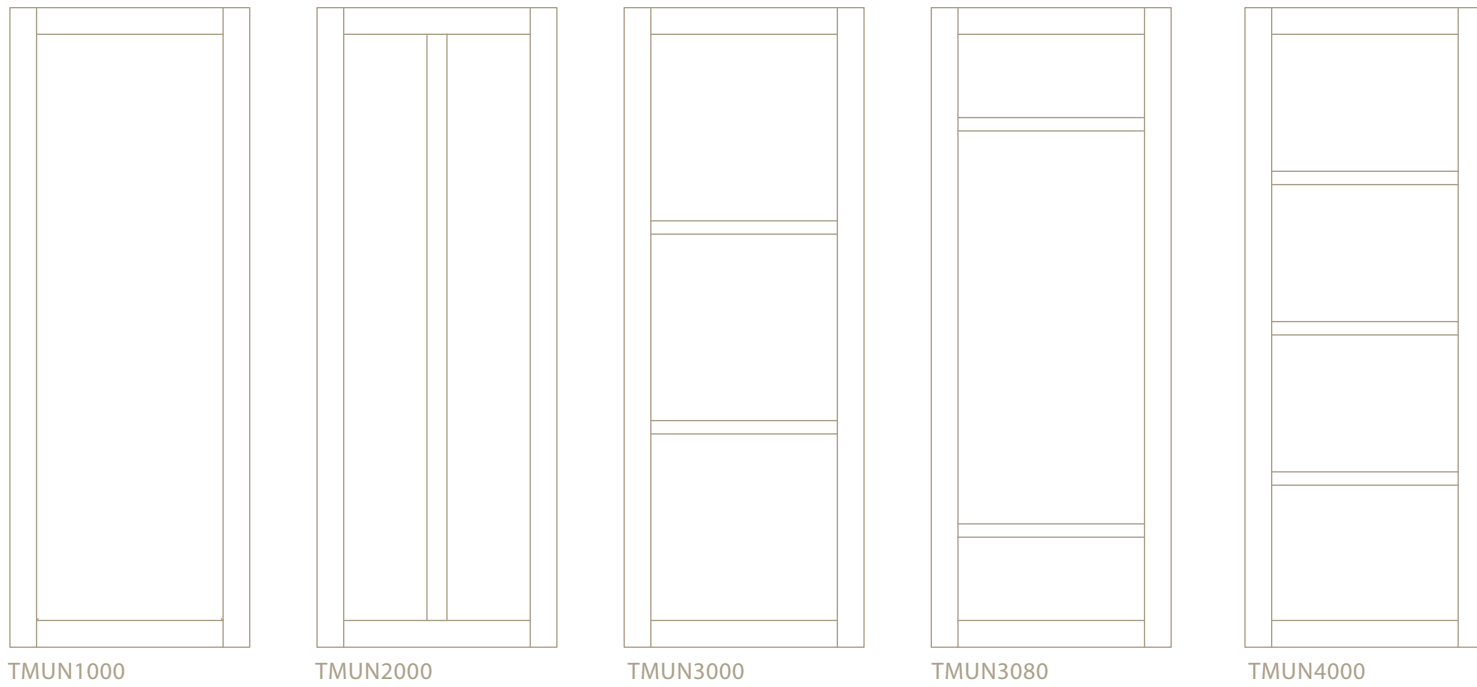

*Arrows indicate grain direction.*

## TRU&MODERN ULTRA NARROW

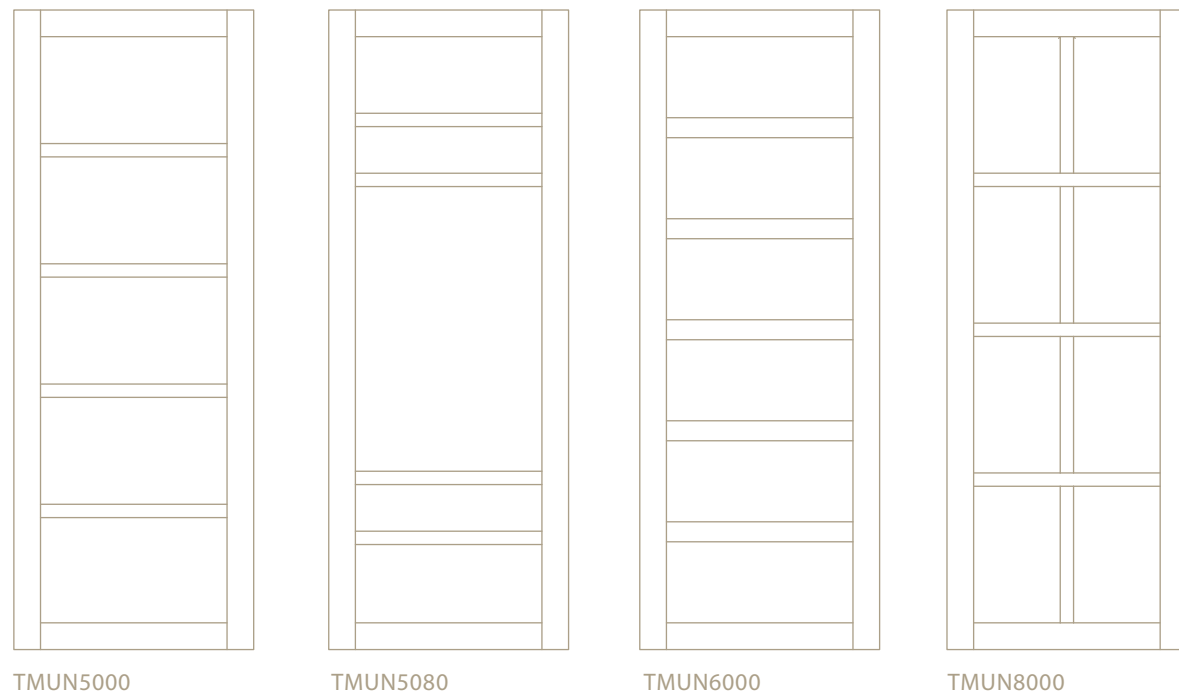

We have expanded our popular Tru&Modern Series to include nine Ultra Narrow styles that meet the needs of today's sleek interiors.

TRU&MODERN ULTRA NARROW SERIES

- *Featuring 4" stiles and rails.*
- *Select either MDF or one of our many standard wood species.*
- *All panels can be substituted with glass.*
- *We recommend narrow hardware sets and escutcheon plates with ultra narrow doors.*

TMUN5000: Square Stick/Flat Panel; Paint-Grade MDF, SW7066 Gray Matters

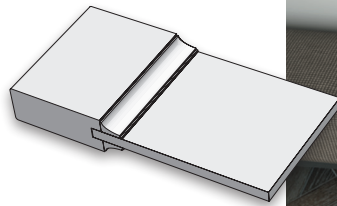

## APPLIED MOULDINGS

Add interest and dimension to square panel doors.  
Create a dynamic, contemporary look that enhances traditional designs.

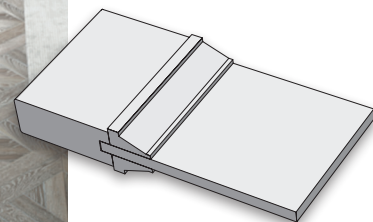

**COVE**

The Cove Applied Moulding offers a clean, transitional look.

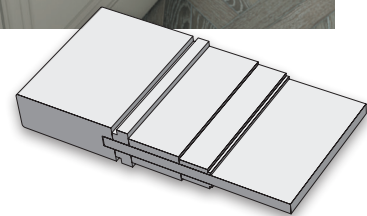

**EVOKE**

The Evoke Applied Moulding is a bold profile that adds defined dimension to panel doors.

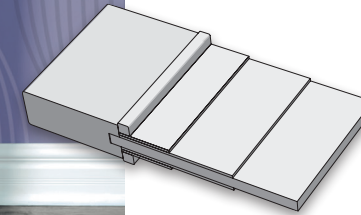

**EMPIRE**

The Empire Applied Moulding. An elevated panel door with a distinctive stepped profile.

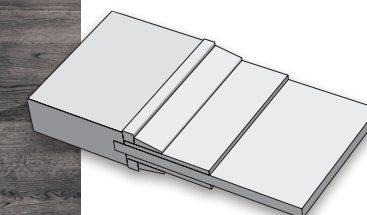

**LINEA**

The Linea Moulding style presents a crisp, stepped profile.

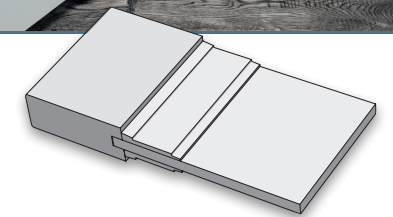

**AVANT**

The Avant Moulding style is a beveled profile that provides a rich, dramatic appearance.

**MIRACLE**

Choose the Miracle Moulding profile for precise details and a slightly tapered look.

TMIR9001: Plain Sawn White Oak, Nutmeg stain

## TRU & MODERN STYLES

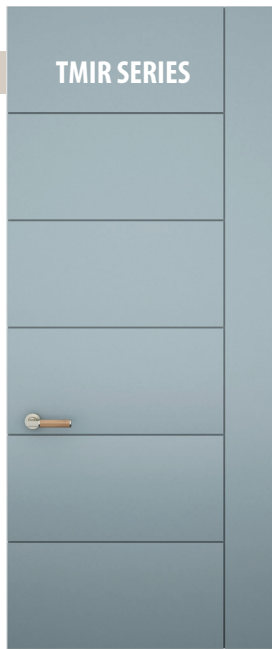

The perfect complement to today's demand for clean, sophisticated simplicity.

- Expanded options with 1/4" kerf cut reveals.
- Complements TruStile's existing modern product lines to help you create unique interior designs.
- All styles available in MDF; many available in standard wood species.

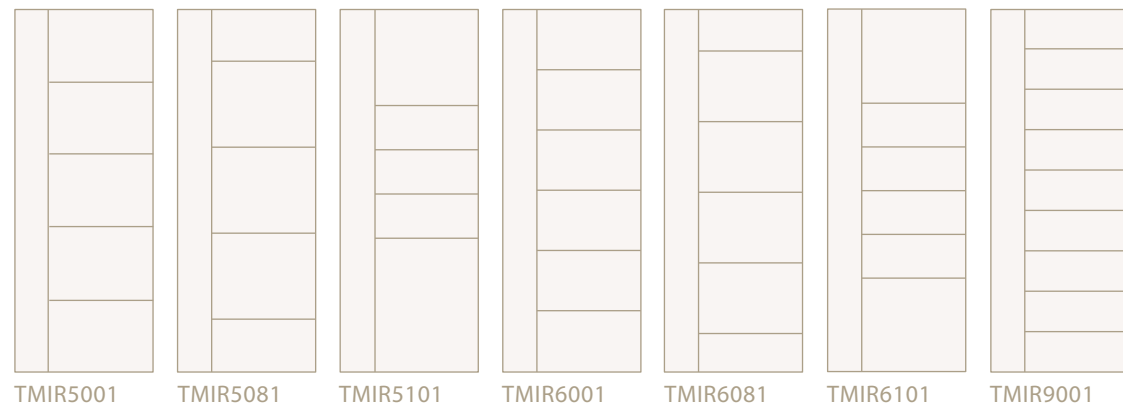

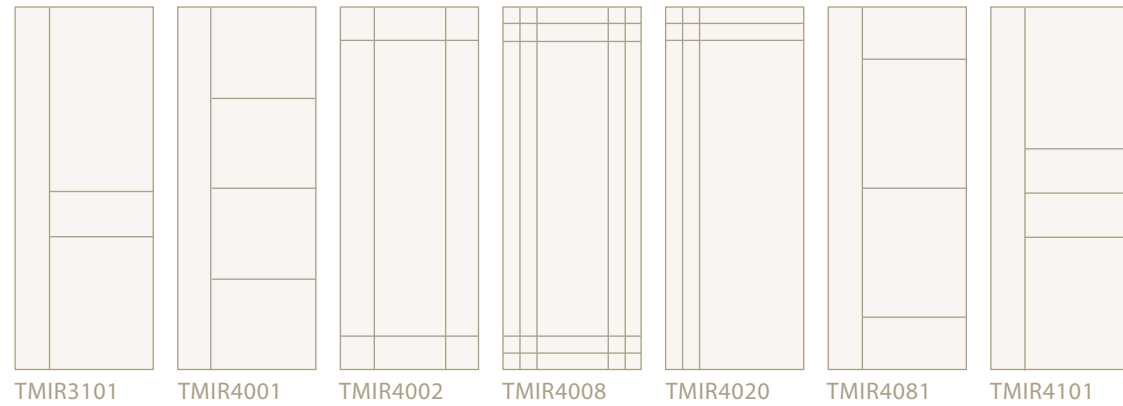

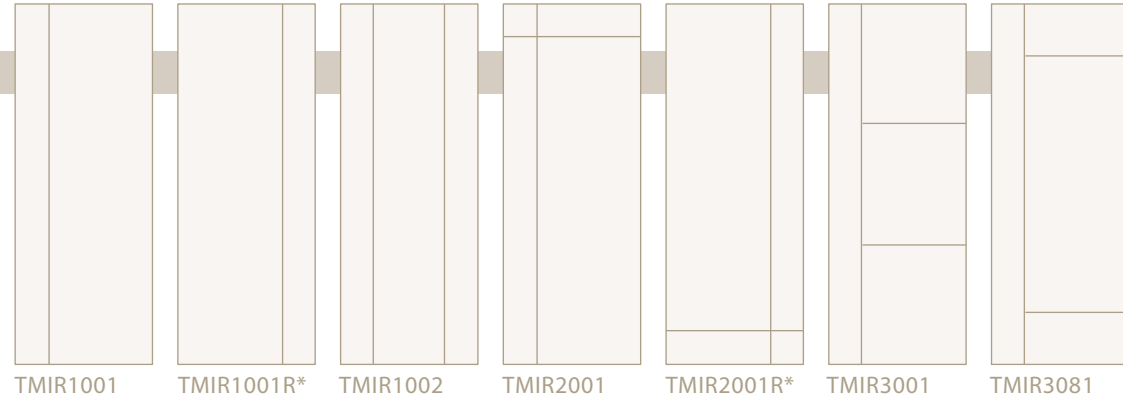

These door styles combine vertical and horizontal reveals to create a bold, inspired look.

TMIR2001: Paint-Grade MDF; SW6247 Krypton

TMIR SERIES

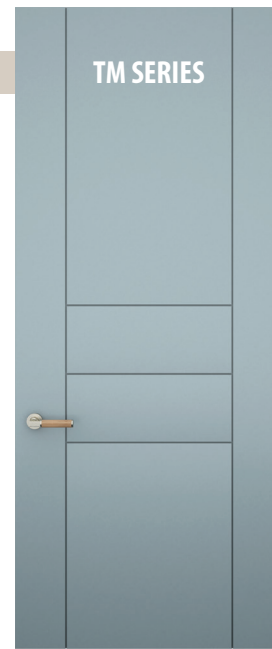

**\*NOTE**

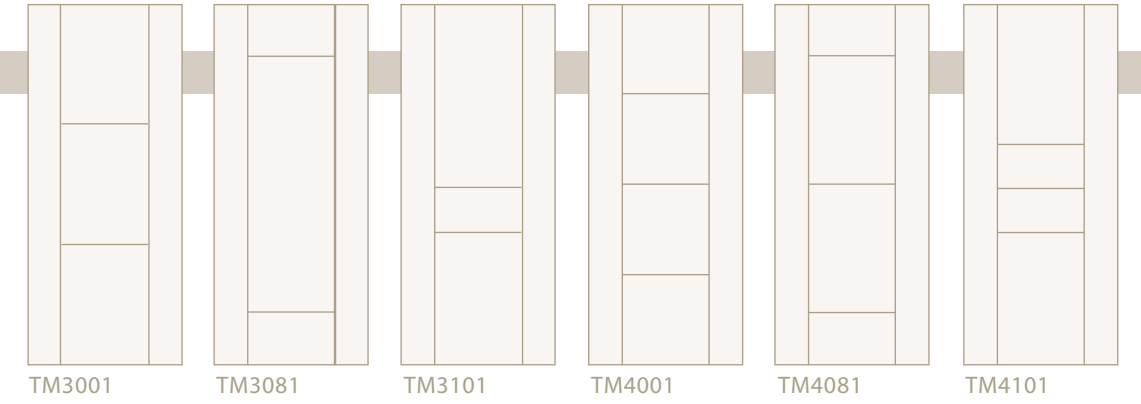

Choose standard or reverse (R) layout.

Vertical Kerf defaults to hinge side of door.

Specify preference when placing your order.

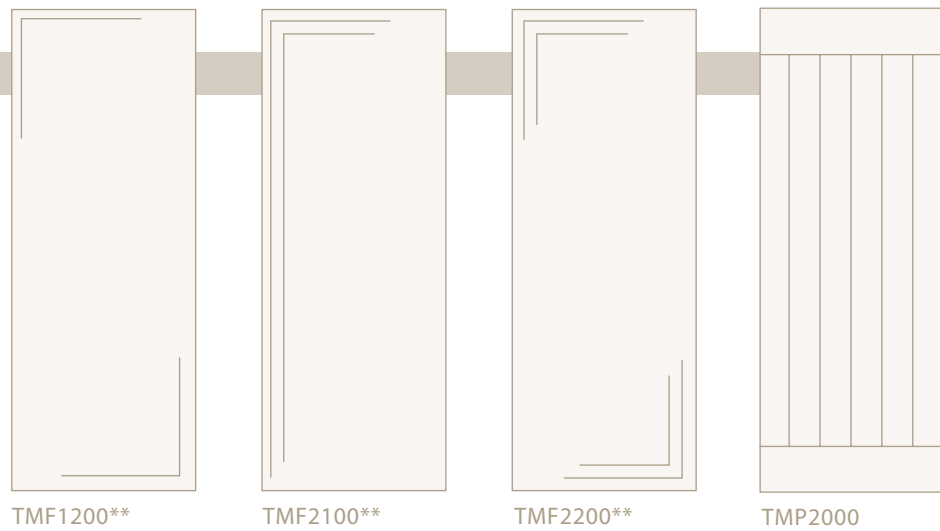

TM SERIES

All horizontal reveals align with those of the TMIR series. Combine them in the same project with confidence.

TMF & TMP SERIES

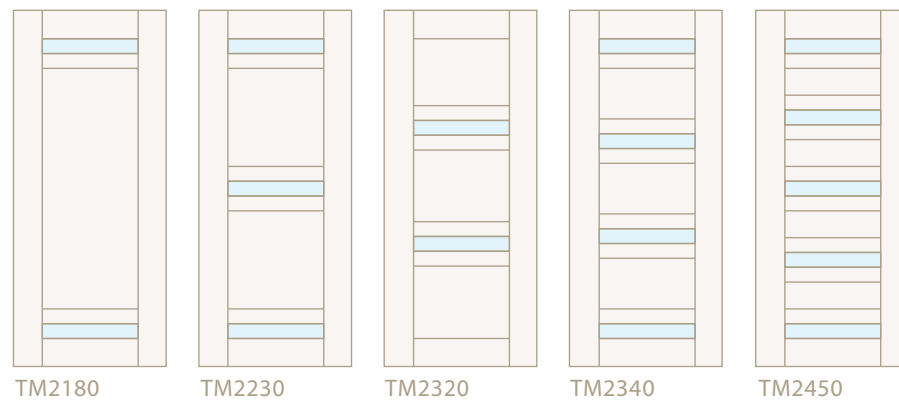

\*\*TMF1200, TMF2100, and TMF2200 in MDF only.

TMIR2001: Paint-Grade MDF; SW6247 Krypton

- *Five distinctive elevations.*
- *Insert decorative glass. Choose from dozens of options.*
- *Select either MDF or one of our many standard wood species.*

## TRU&MODERN STYLES

Clean strong lines and bold accents define this collection.

Make your modern and contemporary interiors stand out. Our contemporary styles are inspired by European design: Sophisticated and welcoming with refined details and mixed materials.

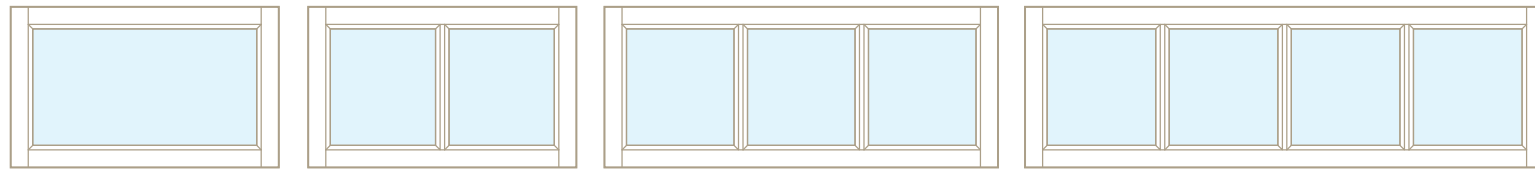

TM2180: Rift Sawn White Oak, Ebony stain; White Lami glass inserts

## INTERIOR TRANSOMS
