designed in-house in michigan

Since 1893, Belwith Keeler has built a legacy of artistry and innovation in the hardware industry. Based in Michigan, our team of design professionals scout the latest styles from the furniture and interior design sphere and find inspiration from the latest fashion shows from New York to Milan.

Our designers then re-imagine this wide breadth of creativity into fine hardware for your home. Our product undergoes intense scrutiny and rigorous finish testing from our master craftsmen and Quality Assurance teams. We check for quality, consistency, fit and finish. Only the very best are added into our living library of legacy design. Our promise is to continue to offer you the very finest.

craftsmanship

The Reserve collection was inspired by the use of mixed materials to create stately elegance. The opulence of stitched leather with classical elements leads to a rich, textural appeal that only gets better with age. An ultimate conversation starter, Reserve gives traditional cabinets a fine furniture feel.

showcase trend-conscious quality hardware

The experience of seeing cabinet hardware in person is invaluable. The texture, finish, and weight of each piece is integral to choosing the perfect part for your space.

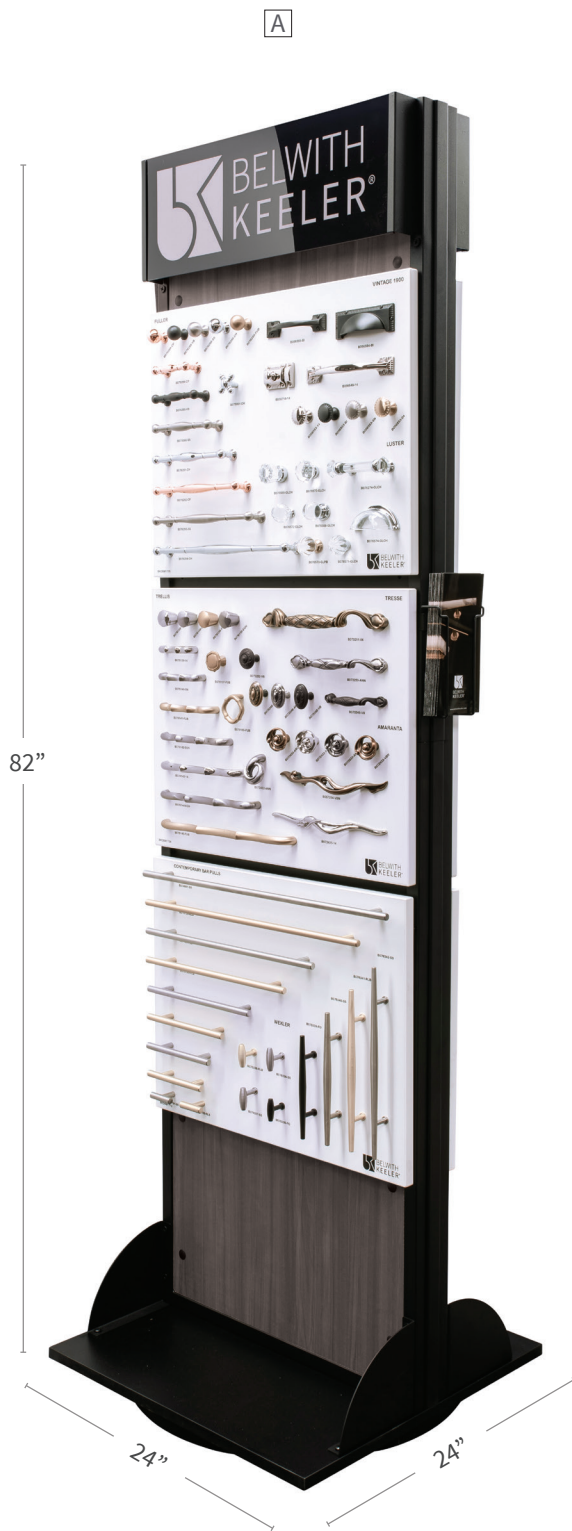

Our display towers represent the full product line of items designed by our in-house design team, filled with trend relevant designs for today's home décor.

These fresh and inviting towers display the range of available sizes and finishes in each collection to highlight the scope of item availability. The knobs shown represent the available finishes in each collection.

We have a display solution for you based on your showroom's needs: the destination location of a floor-standing tower, or a minimum of 4 space-saving wall mounted boards.

Each board hosts 1-4 collections, showing the collection name and the part numbers underneath each part.

If you would like to feature Belwith Keeler in your showroom, please contact sales@belwith.com
