Impact Casement Windows

IMPACT

# Building choice into every view.

Our 1500 Vinyl Collection Casement windows are available in singles, fixed and a wide selection of architectural shapes.

**Sturdy Construction**  
Multi-chamber construction improves strength and thermal performance. Fusion-welded corners add strength and prevent air/water infiltration.

**Multi-point Locks**  
Operate with a single handle for maximum security with minimum effort. Stainless steel lockbar for all standard sizes.

**Laminated Glass**  
Our impact glass uses technology similar to a car windshield with the glass bonded using heat and pressure to a PVB inner layer.

**Smooth Operation**  
Ellipse operator with stainless steel hinge track and adjustable hinges opens to 90°.
